

Dear ACS Family,

August 7, 2020

Please carefully review these guidelines for our Back to School Night on August 11, and please make sure you abide by the guidelines while you and your children are on Campus that night. We look forward to seeing you!

1. The Campus will be open for Back to School Night from 4:30 pm to 8:00 pm on Tuesday, August 11. You may come to the School at any time during this time slot.
2. This is a Large Gathering event, where more than 50 people will be on Campus at one time. As a result, we must physically distance from other families during this event. You are not required to physically distance from others who live in your household.
3. We strongly encourage everyone to wear a face covering for this event. In addition, our thermal cameras will be operating, and we plan to take temperatures of everyone entering the School buildings.
4. All Kindergarten Families will come in the front door of the Kindergarten Building and proceed to your classroom. You will be able to meet your teacher briefly. We ask that you not loiter in the classrooms. You will then Exit through the back door of the Kindergarten Building.
5. All Elementary Families will come in the Elementary Hall doorway and proceed to your classroom. You will be able to meet your teacher briefly. We ask that you not loiter in the classrooms. You will then Exit through the back door of the Elementary Hall.
6. All Middle School Families will come in the front door of the Middle School Building and proceed to your classroom. You will be able to meet your homeroom teacher briefly. We ask that you not loiter in the classrooms. You will then Exit through the side door at the end of the Middle School Hallway. **We will not assign MS lockers until the first day of school.**
7. All High School Families will come in the Lobby Door of the Sports and Music Building and proceed to the Main Gym. All of our High School Teachers will be set up at a table and will be physically distanced in the Main Gym. You will be able to meet your Homeroom Teacher and get your schedule of classes. We ask that you not loiter in the Gym area. You will then Exit through the back door of the Main Gym, which leads to the parking lot. **We will not assign HS lockers until the first day of school.**
8. Welcome and informational videos will be running in the Drama Center and in the Middle School Commons Room. Physically distanced seating will be set up so that you can sit down and view these short videos.
9. We usually handle sign-ups for Bus, Extended Care, ASSP and ASSH during our Back to School Night. This year, we are asking families to fill out the necessary forms online.
10. As much as we want to see everyone on August 11, if you or any family member has a fever or is exhibiting any symptom of COVID-19, or if you or any family member has been exposed to someone who has tested positive for COVID-19, please do not come to School on August 11.

Thank you in advance for adhering to these guidelines for Back to School Night.
