My daughter _____ has my permission to take twirling lessons for the 2022-2023 school year. I understand that lessons will be held at ACS once a week, on Wednesdays, only when school is in session. Lesson price is based on a 4-week cycle and is due the first lesson of every month. When a holiday happens, extended lesson times will be added at the end of the school year to make up time. I also understand that this is a full school year commitment. I will not hold Mrs. Paula Resop, any teacher, or Athens Christian School responsible for any accidents or injuries incurred before/during/after lessons or performances. I do realize that every precaution will be taken to ensure the safety of my child. Only twirlers have permission to stay after school for twirling.
